

# CASHFAC

Cashfac - [www.cashfac.com](http://www.cashfac.com) - is a global leader in back office cash management and Virtual Account Management (VAM) solutions. Our platform is the world's most deployed virtual accounts solution, used by organisations across the global financial services sector from large banks and asset managers to smaller nonbanking financial institutions.

Our products help these financial institutions improve productivity and provide greater visibility, automation and control over their critical cash management operations including compliance with Client Money regulations. This is achieved by our open technology solutions plugging into existing client systems giving corporate and client operational accounting solutions which are fully integrated with your bank's records, virtually eliminating the need for reconciliation.
